153 ▼ I'm pissed right now. Just got back to the hotel. The swamp needs to hang! I made the mistake of watching the news, these fucking rats! There is only one box left. And if today proves Any thing, we have the numbers! RISE UP AMERICA! Now is the time!

Edit: FUCK who ever is down voting me, fuck you in you fucking ass! They murderd one of you in the capitol today and said she deserved it! You have been abandoned just like trump!

24 Fuck you. I knew this bullshit would happen when everyone I talked to said they weren't bringing anything. I'm smart enough to foresee the shit that was going to happen today. The situation we're in right now would never be remedied by assembling unarmed and nobody I tried to tell this to would fucking listen. I'm not about to waste my fucking time on the pussy shit that went down today and I'm not about to lone wolf it just so I can be gunned down and used as propaganda for the MSM. I tried to get everyone on board and now I'm here to tell you, I told you so!

What am I supposed to do if no one will answer the call? Go by myself? I'd be dead and then they would have an "active shooter" to parade out on the idiot box.

2 Agree, no one cares about nice people getting a little loud. Rolling Thunder found out. MSM wouldn't even cover them or did for 19 seconds. Oh a bunch of loud motorcycles were here? Congress never noticed. All they got was a hard time from the government and expenses but the mayor thanks them for the taxes left on lodging and food.

The amount you were given was based on your last filed taxes (tax year 2019). For many people their circumstances changed since then (married, more children, different income levels, etc). Some people will get a +/- adjustment to this when they file taxes for year 2020.

What should they have done? Thrown their shoes?

Only BLM and Antifa are violent. We're so much better than that. Good little boys and girls who just get murdered in cold blood but don't dare go out past 6pm to complain about it.

4 Trump is saying that so that all the violence is on the Left not on us. Be patient. I trust that there is a plan in place. The point was made. He never wanted any of us to die. Even though many are willing and able to do so. This is war. You pick your battles. This battle actually was won... by that I mean the people we needed to have show their true colors did it. I've never trusted Pence and got slammed on Voat for saying that. Today he proved me right. He's a POS - never forget this - <https://steemit.com/treason/@artistiquejewels/the-paul-ryan-mike-pence-assassination-coup-email-chain-says-it-all-why-would-they-risk-hijacking-a-national-presidential>
